Brand New Book ***** Print on Demand *****.As a chiropractor I have always been interested in the link between stress and health problems. Over the last 20 years I have seen the background levels of stress in our society building as never before - and many people are breaking under the strain. This led me to qualify as a Life Coach and spend more and more of my time helping people to manage or eliminate stress from their lives. I hope you find this workbook helpful. Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
