Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The book O my Opossums was started as a surprise event with orphaned opossums arriving on a doorstep. Soon it expanded into a journal for their short but sweet lives. Hopefully, this book will introduce everyone to a wonderful animal that is often not respected. As a first time writing experience it has been wonderful to share this happening with others. Education as a part of the human life is important so this book should be an eye opening experience for many and a learning experience for others. So if you wish to have story time with your little ones or learn more about America s marsupial; read this book and look at the pictures. Please share this life event with little Jacob, the son of the author, with your friends and family.
