THE GREATEST MARTIAL ARTS* STORY EVER TOLD (BOOK 3 OF 3): A TRUE STORY ABOUT MODERN *WAR ARTS

Jim Wagner, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Jim Wagner s fascinating story concludes with him joining the California State Military Reserve, and his Reality-Based Personal Protection empire expanding. All that had been stripped from him in the past by god-playing men had not only been restored, but by tenfold. As such, Sergeant Wagner was entrusted with the training of soldiers for the wars in Afghanistan, Iraq, and Kosovo. Once again he was placed back in the fight in the Global War on Terrorism only for it to be renamed by President Barak Obama the Overseas Contingency Operation, and along with the name change from the administration came the painful financial gutting and troop reductions of the U.S. Armed Forces. Only this time around Jim was wiser, stronger, and standing firmly on the promises of God. After fifteen years since his pen first touched paper, Jim Wagner s autobiography was finally finished, but not until he saved room at the end for a chapter where he helped save the entire Canadian government from a terrorist attack. Some family members, friends, and associates said that the title, The Greatest Martial Arts Story Ever Told, matched Jim s big ego, but the title could have been named nothing else, for it is actually two titles in one, two stories in one, and the meaning of greatness becomes evident....
