The Ventriloquist's Tale

By Melville, Pauline

Bloomsbury USA, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Pauline Melville conjures up vivid pictures both of savanna and forest and of city life in South America where love is often trumped by disaster. Unforgettable characters illuminate theme and plot: Sonny, the strange, beautiful and isolate son of Beatrice and Danny, the brother and sister who have a passionate affair at the time of the solar eclipse in 1919; Father Napier, the sandy-haired evangelist whom the Indians perceive as a giant grasshopper; Chofy McKinnon the modern Indian, torn between savanna life and urban future. This is a novel that embraces nearly a century, large in scope but intimate as a whisper, where laughter is never far from the scene of tragedy; a parable of miscegenation and racial elusiveness, of nature defying culture, magic confronting rationalism and of the eternally rebellious nature of love.

Reviews

Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Dr. Catherine Wehner**

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
