Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Charles MacCarthy: A Rhode Island Pioneer, 1677 Irish settlers are found in Rhode Island at a very early period. They were contemporaneous with Roger Williams, John Clark, William Coddington and other leading men and proved sturdy, energetic members of the community. Some of these Irish pioneers doubtless came to Rhode Island as soldiers in the Indian wars, and when the latter were over remained and went not away. Others in all probability, came as settlers from St. Kitts, Jamaica, Montserrat and Barbadoes. During Cromwell s atrocious regime in Ireland thousands(l) of Irish were transported not only to the continent of North America but also to the West Indies. Other thousands followed them, forced from home by the iniquitous English policy of extermination. It is not at all unlikely that Rhode Island received many of these hardy refugees and became to them a land of asylum and a permanent home. Nor can it reasonably be doubted that Connecticut, Plymouth and the Bay likewise contributed Irish settlers to Rhode Island at early periods and in goodly numbers. In Winthrop s Journal, under date of 1635, is an entry indicating that even as early as that a considerable immigration from Ireland to New England was under way. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
