Jessica Kingsley Publishers, Inc, 2014. Softcover. Book Condition: New. Containing everything needed to teach beginning skills such as imitation, visual spatial awareness, expressive and receptive language skills and skills of daily living, this comprehensive ABA curriculum has been developed for individuals on the autism spectrum with a developmental age of approximately 3?5 years. Evidence-based, the resource guides instructors step-by-step through using ABA to teach over 140 beginning skills. The program can be individualized to meet the needs and interests of the individual, and instructions are given on how to do this. An accompanying CD contains the teaching materials needed to implement the program, including over 1000 color picture cards, handy printable copies of the curriculum programs, data forms and checklists. The authors also provide guidance on creating an effective ABA teaching environment, as well as a wealth of practical teaching strategies for ensuring therapy success. This is an unparalleled resource for professionals working with children with ASDs who are looking for a robust and ready-to-implement ABA curriculum. It will be a valuable tool for behavior analysts, teachers, psychologists, occupational therapists and students in these fields, as well as to parents working with professionals to implement an ABA program. Dr. Julie Knapp, PhD, BCBA-D, is a pediatric neuropsychologist and Board Certified Behavior Analyst-Doctorate. She is executive director of the Knapp Center for Childhood Development located in Boardman, OH, which specializes in the diagnosis, neuropsychological assessment and treatment of children with autism spectrum disorders. Dr. Knapp offers an international ABA program assisting families from other parts of the world to travel to the U.S. for ABA therapy. She offers remote training and supervision on ABA programs through a HIPPA secure website to families across the world who otherwise cannot find local ABA therapy or who wants expert advice on their program. Dr....
