Brand New Book ***** Print on Demand *****.When John Daniels left for the library he expected it to be just another quiet day hunting through journals and periodicals. Then a mysterious package arrived with an impossible device inside, and John s peaceful world vanished with the death screams of a murdered woman echoing through the library. Forced to confront the pain of his past, John had little choice but to accept an unusual mission. John lives a comfortable and quiet life. After fighting for years to reach a place where he could be in control of his own life, he has established himself as an independent researcher with the ability to pick which jobs he takes and the luxury of setting his own schedule so that he frequently finds himself at the library where his friend and high-school crush, Sarah Parrish, works as a librarian. However, that all changes the day a mysterious package from an unknown source arrives addressed to John at, of all places, the library. The device inside rips away John s sense of control and forces him to confront the most painful parts of his past. Apart from Sarah, only his best friend, Lieutenant Kiel Samuels, knows the secrets and pain of John s childhood. When circumstances took a seven-year-old John and his little sister, Mia, away from their mother and placed them in the foster system, they were separated. After two years apart, Mia disappeared from the schoolyard one afternoon. Having watched the strain of loss and a stalled investigation kill his mother when he was only eleven, a loss that sent him back into the foster system until he aged out at eighteen, John had finally reached a place...
