Reviews

It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jodie Wehner)

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 40 pages. Original publisher: Washington, DC : National Aeronautics and Space Administration, Office of Inspector General, Office of Audits, 2009 OCLC Number: (OCoLC)631142463 Subject: Landsat satellites -- Evaluation. Excerpt: . . . RESULTS Projects life cycle cost estimate by 90. 5 million (from 614. 7 million to 705. 2 million), but this LRD correlates with a 70 percent confidence level for achieving the launch date as the Project enters Phase B of the life cycle. 6 However, the Landsat Science Team, in January 2008 had concluded that LDCM must be operational by March 2012 to observe the Northern Hemisphere growing season. The LRD of December 2012 conflicts with this user requirement and is far beyond the expected life span of Landsat 7. The latest technical assessment of Landsat 7 s projected life expectancy approximates a 50 percent to 70 percent chance of the satellite experiencing a full system failure by December 2012. In the NASA Report to Congress Regarding Landsat Data Continuity Mission (LDCM) Data Continuity, April 2008, NASA management states, b oth Landsat 7 and Landsat 5 are presently experiencing 7 technical problems and are expected to run out of fuel in late 2010. Combine this with the most expedient development for LDCM and the outcome is that a Landsat data gap is inevitable. No Mandated Responsibility or Accountability for Landsat Data Continuity The LRSP Act of 1992 mandates continuity in Landsat data collection - maintaining consistency with earlier Landsat systems in terms of spectral and spatial coverage. The Act states that continuous collection and utilization of land remote sensing data from space are of major benefit in studying and understanding human impacts on the global environment, in managing Earths natural resources,...
