Would you like to record a few specifics and maybe a note or two about the trail, or the day? Off-Road Journal is a partially guided journal to help you record various parts of your ride on a trail. The journal can accommodate 72 different rides. Each trail gets two pages. The first page is guided with Trail Name, Rating, Date, Location: State and Nearest City or Landmark, Vehicle, Other Vehicles in the Group, Weather, and Personal Rating. The Second page is for Other Notes or Highlights of the Trail. Here you can make your own notes or place the stickers that some more famous trails have. The second page is also lightly lined so that you may write or draw pictures of your travels. Colored pencils are recommended for drawing. There is also a place on the cover and inside to record the volume, then if you fill up one journal you can start another of the same cover or pick a different cover, the insides are all the same.
