

## Crs Report for Congress: Iraq: Post-Saddam Governance and Security March 2, 2009 - RL31339

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 70 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. As it took office, the Obama Administration was presented with a security environment in Iraq that is vastly improved over that which prevailed during 2005-2007. The turnaround has been widely attributed to the troop surge announced by President Bush on January 10, 2007 (New Way Forward). Recent Defense Department reports assess that overall violence is down at least 65 from late 2007 levels, to levels not seen since 2004. A major issue is that President Obama has indicated that stabilizing Afghanistan should be a higher priority for the United States than Iraq. On February 27, 2009, President Obama announced that all U. S. combat brigades would be withdrawn by August 31, 2010, leaving a residual presence of 35, 000 50, 000 U. S. trainers, advisers, and mentors, although some might still be in combat in some circumstances. The draw-down was a product of discussions with U. S. commanders who say that a continued U. S. presence is required to promote further political progress and produce a unified, democratic Iraq that can govern and defend itself and is an ally in the war on terror. A U. S. -Iraq status of forces agreement (SOFA), ratified by Iraq's parliament on November 27, 2008, mandates a complete U. S. withdrawal . . . This item ships from La Vergne, TN. Paperback.
