Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It is mainly, no doubt, but I hope not exclusively, an antiquarian interest which attaches to the name of Thomas Nash. It would be absurd to claim for a writer so obscure a very prominent place in the procession of Englishmen of letters. His works proclaim by their extreme rarity the fact that three centuries of readers have existed cheerfully and wholesomely without any acquaintance with their contents. At the present moment, the number of those living persons who have actually perused the works of Nash may probably be counted on the fingers of two hands. Most of these productions are uncommon to excess, one or two exist in positively unique examples. There is no use in arguing against such a fact as this. If Nash had reached, or even approached, the highest order of merit, he would have been placed, long ere this, within the reach of all. Nevertheless, his merits, relative if not positive, were great. In the violent coming of age of Elizabethan literature, his voice was heard loudly, not always discordantly, and with an accent eminently personal to himself. His life, though shadowy, has elements of picturesqueness and pathos; his writings are a storehouse of oddity and fantastic wit.
